New Business:

Two board positions, Eugene Janulis for treasurer and Shayla Fleshman for secretary, were voted on via online polling and approved by general membership.

Gene noted that Chapter and board meeting minutes need to be uploaded to website. Shayla said that they were completed and sent to the chapter google drive, and she will work with Jacqueline to upload to the website. Shayla read the board meeting minutes from June 11.

Jeff Carter asked about how to complete his volunteer hours given pandemic. The following suggestions were given:

- Jacqueline had volunteer opportunities in helping with the webpage.
- Tania mentioned that this issue was being brainstormed in various chapters throughout the state and that something should be released soon that will show volunteer opportunities.
- Gene mentioned that Daily Rain Gauge and Cornell (birding) offers activities that can be done solo.
- Julian mentioned that volunteer hours are available for finding and contacting speakers for meetings.

Jacqueline offered to provide volunteer opportunities in one document.

Colette said she had suggestions for the website and will get with Jacqueline regarding this.

Next chapter meeting will be August 11 and a speaker is needed for the meeting. Julian asked members to give him recommendations.

Meeting adjourned at 8:40 pm.
