

Snowden Tract

Travis County Balcones Canyonlands Preserve

- We're about a mile south of the Anderson Mill / FM 2769 intersection.
- If you're using Google Maps, search for "**Snowden Tract, Travis County BCP**", NOT our address (13043 FM 2769), which will take you too far north.
- Our driveway is on the south/east side of FM 2769 north of Abbotsbury Drive at the bottom of a steep hill, just before the guardrail begins.
- We are NOT on Hudson Circle (where Google has taken some folks)
