7:00 pm Presentation: Frogs and Toads of Central Texas

By Marsha May

New Business:

Board members gave the following reports.

**Gene Janulis/Treasurers report.** Gene reported that currently the chapter has \$8828.80 in the bank. The chapter has paid about \$900 in textbooks and Gene is working on a budget for the year. Of the 41 members, only 27 have renewed year to date. There was a clarification that the current class does not owe dues.

**Sheila Endres (2020/2021 Class).** Sheila is taking over as director of VMS from Amy. Her first goal is to get all trainees back on track with entering training and volunteer hours. With vaccinations ramping up, she is optimistic that we will be able to hold the April 9 and May 22 field trips. The class will split into two groups to attend the field trips. She talked about pushing graduation off until June in the hopes of holding graduation in person for both this year and last year's class.

**Communications:** Jacqueline has resigned as communications chair and the chapter is looking for a replacement. The committee handles updates to the chapter website such as calendar listings, the Weekly Reader, and social media postings.

Jane Neu reported for the diversity committee and they are looking to approach diversity by branching into the three pillars: education, service, and recruitment.

BCP is looking for volunteers and it is a great way to get volunteer hours.

Meeting adjourned at 8:30 pm.
